

## COMPETITION ENTRY FEE PAYMENT AN UPDATE

### 1. **Payment of monthly stableford and medal entry fees and 2s monies (NEW)**

- With **immediate effect** all monthly competition entry fees and 2s money should be **paid directly to the Pro Shop** (ideally using contactless payment). **Please DO NOT put cash in the box**
- Payment should be made at the point of check-in/payment of green fees (as appropriate)
- The Pro Shop will log payments and will be liaising with me as the Treasurer
- Prizes and 2s winnings will be paid in the usual way
- The rationale is that this change will simplify the system and should minimise the need for cash handling

### 2. **Payment of entry fees for all other competitions**

- For the remainder of this year, entry fees for **ALL OTHER** competitions should still be paid in the usual way i.e. cash in the box or by BACS
- . LLGC Bank account details are as follows
  - Lakeside Lodge Golf Club
  - 20-43-63
  - 10557188
- I am more than happy for you to pay for several competitions in one BACS transfer as long as it is clear which competitions you are entering, or you send me an email with this information

I will be reviewing general competition entry fee payment system in readiness for the 2021 season and will keep you informed once I have come up with an agreed plan

If you have any queries, please feel free to contact me

Val

LLGC Treasurer
